

IMPORTANT STUFF TO KNOW IF YOU'RE GOING TO

SNOW CAMP

WE'VE GOT A **BIG** LIST OF THINGS YOU'LL WANT TO BRING.

- **Love offering / spending money.** We ask the campers & leaders to take part in an offering for our camp speaker. This is meant to teach the value of giving. You'll probably also want to bring spending money for snacks, souvenirs, extra paint balls & golf balls.
- **Warm fuzzy clothes.** The warmer & fuzzier the better. We're talking hats, gloves, boots, & jackets. An extra pair of shoes or boots & plenty of socks would also be a great idea.
- **All of your toiletries.** This means towels, soap, shampoo, toothpaste, & contact solution. If you use it to get ready in the morning, it should probably come with you. We supply the toilet paper. Don't forget the deodorant. I repeat. **DON'T FORGET THE DEODORANT!**
- **Pillow & sleeping bag.** We do not provide bedding. Make sure you're sleeping in comfort.
- **Bible, pen, & notebook.** If you do not have a Bible, we can let you borrow ours. But if you do have one, please bring it with you because we don't have enough for everyone.

.....

WE'VE GOT A **TINY** LIST OF THINGS YOU CAN'T BRING EVEN IF YOU WANT TO. SO DON'T!

- **Any kind of weapon.** This means guns, knives, brass knuckles, samurai swords, attack dogs, atomic warheads, & anything else that can cause people bodily harm.
- **Drugs, tobacco, or alcohol of any kind.** Unless it is prescribed to you and your leaders know about it, it cannot come on the trip.
- **Personal electronic equipment.** Please read carefully to understand what this means. You **cannot** bring stand alone MP3 players or video game systems. However, you are allowed to bring your cell phone **unless** your youth leaders or guardians don't allow it on the trip. **THERE IS ONE IMPORTANT PART TO THIS RULE.** If you use your phone during our message times, your youth leaders will take it from you. And you'll probably be sad.

Here are a few final notes of extreme importance.
